

KECHARA CARE

Kechara Care's mission is to ensure that newcomers to Kechara and Buddhism are well looked after. Formed in July 2009 with the blessings of Kechara's spiritual guide His Eminence Tsem Tulku Rinpoche, Kechara Care serves as a one-stop destination for the welfare of all newcomers and students alike.

From a small group of volunteers who were present at every event to welcome guests and participants, Kechara Care has evolved into a team of dedicated full-time staff who are at your service.

Our department organises introductory activities to provide newcomers with accurate, reliable information about Kechara and Buddhism. Warm and friendly representatives of Kechara Care are always on hand to guide newcomers as they take their first step onto the spiritual path.

Through cultivating a strong culture of care and responsibility within all of Kechara's departments, Kechara Care also teaches those new to Kechara the same nurturing roles so that eventually every single Kechara member is a Kechara Care Friend.

In June 2010, Kechara Care established a permanent visitor centre in the SunwayMas area, with a multi-function space for parties and events as well as Holy Spirits, a teetotal bar.

In November 2010, Kechara Care Gallery was opened. As a museum-cum-gallery, it educates visitors on His Eminence's childhood and life, and the background and growth of Kechara. That same month, Kechara Care also opened their Office, complete with volunteer workspaces and counselling rooms.
