

KECHARA WORLD PEACE CENTRE

Kechara's latest venture and our most ambitious to date, is Kechara World Peace Centre, our vision for the future. Through the combined hard work, devotion and generosity of sponsors, members and friends, a 30-acre piece of land in the outskirts of Kuala Lumpur has been acquired for the construction of what will be an Icon of World Peace.

Through the inspiration and guidance of His Eminence Tsem Tulku Rinpoche, Kechara World Peace Centre will not only be an international spiritual retreat centre drawing thousands of spiritual tourists from all over the world but will endeavour to address social issues, animal welfare and provide care for the underprivileged and the infirm. Situated amongst verdant green forests in the cool mountain environment, the eco-friendly spiritual landmark will feature the unique aesthetics of Himalayan architecture infused with Malaysian cultural elements. Kechara World Peace Centre will establish itself as the new tourist hub and the foremost spiritual destination of the region.

Kechara World Peace Centre is committed to facilitating the 1Malaysia campaign by fostering an environment in which inter-faith dialogue is supported and utilised as a platform to promote Malaysian unity, religious and ethnic tolerance, as well as a deeper appreciation of Malaysia's cultural diversity. By teaching the values of kindness and mutual acceptance, we aim to promote Malaysia as a preferred tourist destination, a showcase of Asia's cultural variety and as the epicentre for world peace initiatives.
